

Notice of a Public Information Session
Teddy's Falls Waterpower Project

Wendigo Power Partnership Inc. is undertaking an environmental assessment under the Class EA for Waterpower Projects to evaluate the alternatives for the generation of waterpower on the lower Larder River at Teddy's Falls. The project team will be presenting the results of the studies completed in support of the project and soliciting feedback from the public. It is anticipated that this will be the final public meeting held before the Notice of Completion is issued for the project.

Wendigo Lake cottagers and other interested persons are invited to participate in the public information sessions being held on:

Thursday, August 30th, from 7:00-9:00 pm and;

Friday, August 31st, from 9:00-11:00 am

Northern Beacon Rebekah Lodge
48th, 4th Avenue,
Englehart, Ontario

Both sessions will begin with a brief presentation followed by a question and answer session. Posters detailing key aspects of the project will be available and members of the project team will be on hand to answer any questions or concerns you may have.
